- **1 extra berth is to be allotted to each “large age group” within a given club and 2 extra berths to each “extra large age group” within a club based on registration as of the annual deadline (mid-July) for that season.**

- **If an age group defined as “large” or “extra large” exceeds their automatic berth allotment with swimmers who have achieved qualifying times then the “extra” berths will be granted in addition to the “qualified” swimmers in that “large age group” for the 2011 season.**
